

Grow their Future!

In times of crisis like COVID-19 we are reminded that the simple things in life matter most - family, food and shelter.

Larry aged 11 recently moved to the foster home because his mum can't afford to feed him. She rents a room, has no garden and limited knowledge on growing food. Larry is now learning survival skills with other children in the garden of his new home, growing maize, sweet potatoes, bananas and veg!

Dot grew up in a single parent household with 8 siblings. She was a top student, studying for 'A' level exams. While walking home from school she was lured by a handsome, sweet talking young man. Later she found she was pregnant and was expelled from school. With survival skills to handle relationships, Dot would by now have completed University.

This Christmas Quicken Trust is going back to basics to ensure Kabubbu Kids have the survival skills they need for their future.

- Many children receive little practical or emotional support from a parent.
- Some children suffer trauma, violence and abuse at home.
- Some don't know how to open a bank account, dress appropriately or protect themselves.
- Some have low self-esteem because of their home circumstances with poverty and deprivation.

We want to raise £30,000

This will pay for:

- 1 acre of land for primary school children to learn 'Farming God's Way'. They will learn to prepare soil, plant seed and care for crops through the Graze School of Farming.
- Farming equipment! We need seeds, hoes, manure, jerry cans, sacks & wheelbarrows for 60 children
- An outdoor camp for 120 teenagers. They will learn in small groups with role play, short films and discussion how to make good life choices, how to say 'no', speak clearly and behave appropriately. They will overcome low self-esteem and become more confident.

100% of your **Grow their Future!** donation will be allocated to the Community Development Fund

Four ways to donate:

1. Facebook - click **Donate Now** button on our **Facebook** page
2. Website - click '**Grow their Future**' button on www.quickentrust.com
3. BACS - Sort code: **405240** Account: **00088771** Reference: **GTF20**
4. Cheque: please make cheques payable to Quicken Trust and return with the slip below.

YES - I want to Grow the Future of the Kabubbu Kids!

I wish to donate £ and Gift Aid it (please tick) ☐
